Disclaimers

• I am from Iowa…More Hogs than people…
• My clinical focus: chronic lung infections (eg, CF, bronchiectasis)
• TB has remained a hobby since medical school
• The cases I will share have been painstakingly researched, but have the answers?
• Purpose: share cases I found educational & get your feedback…Learn from each other

Ponder These Cases…

• Proactive vs. Passive TB diagnosis…University TB
• Speechless in Waterloo
• Gee whiz…Granulomas Galore!
• Gee whiz too…
• It’s back…
• Paradox
