TB Case Presentations
Douglas B. Hornick, MD

June 3, 2010

Pulmonary Fascinomas
with a
Tuberculous Attitude

Douglas B. Hornick, MD
Professor
University of Iowa Carver College of Medicine
Iowa City, Iowa
Disclaimers

• I am from Iowa…More Hogs than people…
• My clinical focus: chronic lung infections (eg, CF, bronchiectasis)
• TB has remained a hobby since medical school
• The cases I will share have been painstakingly researched, but have the answers?
• Purpose: share cases I found educational & get your feedback…Learn from each other

Ponder These Cases...

• Proactive vs. Passive TB diagnosis…University TB
• Old Friend
• Thanks Dad…
• TB or Not TB
• It’s back…
• Challenging…
• Paradox
