

National Webinar

Let's Hash Out the Drug Rash

A Learning Activity on TB Drug Rash

Jointly sponsored by the
Tuberculosis Centers of Excellence for Training, Education, and Medical Consultation
and the National Tuberculosis Controllers Association

National Tuberculosis
Nurse Coalition

Thursday, May 16, 2019

10:00-11:00am PT; 11:00-12:00pm MT; 12:00pm-1:00pm CT; 1:00-2:00pm ET

Presented by:

Catalina Navarro, BSN, RN

Iris Barrera, RN

Marybel Monreal, BSN, RN

From Heartland National TB Center

Target Audience

This webinar is intended for healthcare staff who care for persons diagnosed with tuberculosis infection or tuberculosis disease.

Conference Goal

The goal of this activity is to provide strategies to equip healthcare professionals to identify and apply appropriate interventions to manage patients with drug rash related to anti-TB treatment.

Continuing Education

CNE, CME, & CEU credit has been applied for this activity through the CDC Continuing Education Department. See final announcement for full details.

Disclosure

CDC, our planners, our presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.
