

Training Announcement

Treatment of TB in Correctional Facilities along the U.S.-Mexico Border

A Web-based Seminar

From Heartland National TB Center

Sponsored by:
Heartland National TB Center

In Collaboration with:
Texas/Oklahoma Aids Education & Training Center

Presented by:
Catalina, RN, BSN
Tuberculosis Nurse Consultant and Educator

Wednesday June 24, 2015
1:00pm-2:30pm EST
12:00pm-1:30pm CST
11:00am-12:30pm MST
10:00am-11:30am PST

Target Audience:

This webinar is intended for corrections clinical staff, Federal Training Center Collaborative (FTTC), U.S. Immigration and Customs Enforcement (ICE) and healthcare staff who treat and manage patients with tuberculosis in the correctional facilities.

Upon completion of this training, participants will be able to:

- Explain the trends in epidemiology related to TB disease in correctional settings along the US-Mexico border
- Describe the management of tuberculosis disease in correctional settings along the US-Mexico border
- Describe the challenges involved in the release and transfer of inmates across country borders

Registration

- Enrollment is limited to 400 lines
- Group viewing is strongly encouraged! Organizations that wish to set up a group viewing designate one person to be the point of contact to apply for the course. That person will receive connection information as well as sign in sheets, and any additional information necessary for participation.
- Registration and participation is FREE for this workshop but pre-registration is mandatory.
- Click this link to register online: <http://www.heartlandntbc.org/training/courses.php>
- Applicants will receive notification of their enrollment status via e-mail (unless otherwise requested).

Viewing requirements

To access and view this live webcast, you will need a computer with internet access and audio capabilities (or a computer and phone line preferably with a speaker or teleconferencing system). It is recommended that you check your system for compatibility and connectivity prior to the event; instructions to test your system will be sent with confirmation of participation.

Continuing Education Credit

The Centers for Disease Control and Prevention is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Heartland National TB Center provides up to 1.5 nursing continuing education contact hours for successful completion of this educational activity.

Disclosure

CDC, our planners, and our presenters wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias. Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use. CDC does not accept commercial support. NO commercial support was given to Heartland National TB Center or the UT Health Northeast for this educational program.

NO commercial support was given to Heartland National TB Center or the University of Texas Health Science Center at Tyler for this educational program.

**** The registration deadline for this program is June 22, 2015****
