Shannon Brown, BSN, RN, MHA, CCM, ALB, Texas Center for Infectious Diseases
Jacqueline Maldonado, RN, MSN, San Antonio Metropolitan Health District City Chest Clinic
- 10:00 am **Adjourn, Evaluation and CE**

OBJECTIVES

1. Discuss challenges of treating TB in patients with comorbidities
2. Discuss the impact of the COVID-19 pandemic on TB incidence
3. Discuss updates to the current recommendations for treatment of TB
4. Discuss TB patient-centered care from different perspectives
5. Identify approaches for multidisciplinary collaboration with partners in TB prevention and care

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and **City of San Antonio Metropolitan Health District City Chest Clinic, Heartland National TB Center, Texas Center for Infectious Disease**. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team

CME: The Centers for Disease Control and Prevention designates this **live** activity for a maximum of **1.0** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **1.0** nursing contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.
