## OBJECTIVES

1. Discuss the epidemiology of emerging infectious diseases in the United States.
2. Identify diagnostic related technologies to assist in the management of emerging infectious diseases.
3. Discuss current recommendations for the treatment of emerging infectious diseases.
4. Discuss current recommendations for infection control in various settings.
5. Discuss emerging infectious diseases in vulnerable populations.
6. Describe the importance of interprofessional collaboration between public health and private providers in addressing the spread of emerging infectious disease.

## ACCREDITATION STATEMENTS:

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention, Heartland National TB Center, and Johnson County Department of Health. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team

**CME:** The Centers for Disease Control and Prevention designates this **live** activity for a maximum of **(12.5)** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CNE:** The Centers for Disease Control and Prevention designates this activity for **(12.5)** nursing contact hours.

**CEU:** The Centers for Disease Control and Prevention is authorized by IACET to offer **1.2** CEU's for this program.

**CECH:** Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **12.5** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **0**. Continuing Competency credits available are **0**. CDC provider number **98614**.

**DISCLOSURE:** In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters, wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from any ineligible company for this continuing education
