- Module 1: 60-minute Lunch
- Module 3: 60-minute lunch + 15 min Break
- Module 5: 25-minute break

	Lauren Warren-Fields, MEd, BA, Training & Education Developer, Heartland National Tuberculosis Center
12:15 pm – 3:10 pm •	Module 5: Patient Impacts Lauren Warren-Fields, MEd, BA, Training & Education Developer, Heartland National TB Center Elizabeth Reyes, No Degree, Administrative Specialist & TB Survivor, Heartland National Tuberculosis Center Tiffany Salinas, BA, TB survivor and advocate, Covenant House Texas Shivani Arora, No Degree, TB survivor

OBJECTIVES

1. Explain the importance of nurse case management of a patient diagnosed with tuberculosis (TB) disease.
2. Practice TB nurse case management strategies for a patient with underlying conditions that may complicate care.
3. Use case studies to address challenges with TB treatment by discussing nursing considerations towards treatment completion.
4. Identify current tools and resources for monitoring a patient during TB treatment.
5. Demonstrate a TB contact investigation.

Live Session 1: 30-day window to claim CE for live session(s)

Start Date: 10/25/2022

End Date: 11/25/2022

Recurring

Origination Date: 10/25/2022

Renewal Date: N/A

Expiration Date: 10/25/2024

ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and **Heartland National TB Center**. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center

- Module 1: 60-minute Lunch
- Module 3: 60-minute lunch + 15 min Break
- Module 5: 25-minute break

(ANCC), to provide continuing education for the healthcare team.

CNE: The Centers for Disease Control and Prevention designates this activity for **(17.0)** nursing contact hours.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies over the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of Dr. Seaworth's discussion on drug-resistant tuberculosis (TB). She will be discussing off label use of fluoroquinolones and linezolid for treatment of TB.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.

Instructions for Obtaining Continuing Education (CE)

To receive continuing education (CE) for **RP4365 A Deeper Dive into TB Nurse Case Management** please visit [TCEO](#) and follow these [9 Simple Steps](#) before **November 25, 2022**.
