CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and **Heartland National TB Center**. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CNE: The Centers for Disease Control and Prevention designates this activity for **3.5** nursing contact hours.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies over the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use. CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.

JOINTLY ACCREDITED PROVIDER*
INTERPROFESSIONAL CONTINUING EDUCATION

Target Audience

This course is designed for the TB professional who is responsible for the proper placement, reading, and interpretation of the tuberculin skin test (TST).

Conference Goal

The goal of this activity is to provide in-depth education and training to improve the nurses' ability to correctly identify TB and those at risk of TB when using a TST.

Conference Objectives

At the completion of this training participants will be able to identify persons for whom targeted TB skin testing is indicated, demonstrate the correct method of administering a TST, interpret the correct method of reading a TST, discuss how to interpret a TST, demonstrate the five steps of placing a TST, and recognize a myth/misconception of the TST.

Format

The format for this course will be lecture-style presentations, with an interactive skill building practicum. There will be ample time for questions and answers.

OUR VISION

The vision of Heartland National TB Center is to provide excellence, expertise, and innovation in training, medical consultation, and product development to reduce the impact of tuberculosis in our region.

OUR MISSION

The mission of the Heartland National TB Center is to build capacity with our partners. We will share expertise in the treatment and prevention of tuberculosis by: developing and implementing cutting-edge trainings, delivering expert medical consultation, providing technical assistance, and designing innovative educational and consultative products.
