

HNTC & NTNC WEBCAST

Undressing DRESS: When Medications Dress to Kill

Thursday, May 22, 2025

11:00 am - 12:00 pm PDT / 11:00 am - 12:00 pm MST / 1:00 pm - 2:00 pm CDT / 2:00 pm - 3:00 pm EDT

Target Audience

This webcast is intended for nurses, physicians, and other health staff who are actively engaged in the identification, case management, and treatment of patients with tuberculosis (TB).

Objective

At the end of this webcast, participants will be able to educate TB nurse case managers and other public health professionals about drug reaction with eosinophilia and systemic symptoms (DRESS) during treatment of a patient with TB.

System Requirements

To access and view this training event, you will need a computer with internet access. Audio for this web-based training will be through your computer's speakers. We recommend that you check your system for compatibility and connectivity prior to the event. Instructions to test your system will be sent with registration confirmation. If you have any questions about connectivity or audio, please contact Lauren.Warren-Fields@uthct.edu.

Presented by:

Debbie Davila, MSN, RN
Heartland National TB Center

Salma Lerma, MSN, RN
Heartland National TB Center

Catalina Navarro, BSN, RN
Heartland National TB Center

Registration

Participation is FREE for this webcast, but pre-registration is mandatory. Applicants will receive notification of their enrollment status as well as connection instructions via e-mail. Register online at <https://www.heartlandntbc.org/calendar/>

*****The registration deadline for this program is Wednesday, May 21, 2025*****

Jointly Sponsored by the TB Education and Training Centers and the National TB Nurse Coalition
