\*\*\*The registration deadline for this program is March 23, 2026.\*\*\*

## **System Requirements**

To access and view this training event, you will need a computer with internet access. Audio for this web-based training will be through your computer's speakers. We recommend that you check your system for compatibility and connectivity prior to the event. Instructions to test your system will be sent with registration confirmation. If you have any questions about connectivity or audio, please contact [Phillip.Ring@uttyler.edu](mailto:Phillip.Ring@uttyler.edu).

## **Target Audience**

This webinar is intended for nurses, physicians, TB program staff, and other healthcare professionals who are involved in TB care and prevention efforts.

## **Our Vision**

The vision of Heartland National TB Center is to be the most patient-conscious, professional healthcare organization focused on TB elimination while supporting public health and private partners in our communities.

## **Our Mission**

The mission of Heartland National TB Center is to collaborate with public health partners throughout Texas to reduce the impact of TB through state-of-the-art training, innovative educational and consultative resources.

## **Continuing Education**

Continuing Education credit for multiple disciplines will be provided for this activity.
