NO commercial support was given to Heartland National TB Center or University of Texas at Tyler Health Science Center for this educational program.

EXCELLENCE

EXPERTISE

INNOVATION

TARGET AUDIENCE

This course is designed for individuals responsible for placing, reading, and interpreting of the TST.

CONFERENCE GOAL

The goal of this activity is to provide in-depth education and training to improve the ability to correctly identify TB and those at risk of TB when using a TST.

CONFERENCE OBJECTIVES

At the completion of this training participants will be able to identify persons for whom targeted TB skin testing is indicated, demonstrate the correct method of administering a TST, interpret the correct method of reading a TST, discuss how to interpret a TST, demonstrate the five steps of placing a TST, and understand FAQs of the TST.

FORMAT

The format for this course will be lecture-style presentations, with an interactive skill building practicum. There will be ample time for questions and answers.

OUR VISION

The vision of Heartland National TB Center is to be the most patient-conscious professional healthcare organization focused on TB elimination while supporting public health and private partners in our communities.

OUR MISSION

The mission of Heartland National TB Center is to collaborate with public health partners throughout Texas to reduce the impact of TB through state-of-the-art training, innovative educational and consultative resources.
